Natural beauty, Mediterranean climate and fascinating history

Often described as where the Mediterranean meets the outback, Mildura blends cosmopolitan hospitality with the relaxed character of a major regional centre. Lush golf courses, citrus groves, vineyards, endless sunshine and sandy river beaches give the region its distinctive flavour.

In the Mildura city centre, sidewalk cafés and contemporary restaurants deliver fresh local produce, premium wines and craft beers. At the Mildura Brewery Pub, visitors can enjoy generous fare alongside beers brewed on site in a working boutique brewery.

The arts scene is strong year-round, with theatre, music, dance and visual arts programs, plus popular Jazz, Food & Wine weekends featuring leading Australian and Italian performers.

Local tours range from Farm Gate and Wine & Dine experiences to full-day visits to the World Heritage-listed Willandra Lakes and Mungo National Park, home to some

of the oldest evidence of human occupation in Australia, dating back around 40,000 years.

Explore by bike along the river to Apex Park or follow the Chaffey Trail to Rio Vista House and the Mildura Arts Centre. Mildura also offers a selection of outstanding golf courses suited to professionals and weekend players alike.

Renowned for award-winning wines, the region features Trentham Estate, Chateau Mildura, Oak Valley, Nursery Ridge and then there's the region's iconic Gol Gol Hotel right on the river a short trip upstream from the marina.

For a true Murray River experience, step aboard a private houseboat and cruise at your own pace. Moor on secluded sandy bends, fish at sunrise, dine under open skies and wake to still water and red river gums.
